**Subject:** West Lake: draft response to July 17 CMS letter from congressionals

I have assembled the factual basis for the response to this CMS. It is in the Schedule Tracker folder, subfolder CMS, subfolder Congressionals, filename "Draft response to 07 17 14 letter on FUSRAP Developments.docx". The letter from the congressionals is in there too. I leave it to others to finesse the language of the response letter.
